Look at historic documents and photos from the village archives, with focus on the rivers and other waters.

Did you swim or splash about in the river, go fishing or boating? Do you remember the ferry? We would love to hear your memories, and, if you are willing, to record them.

More info about the project and how project volunteers do oral history interviews in the Info Sheet, <https://tinyurl.com/TROHInfoSheet>. The Tales from the River project is part of The Brecks Fen Edge & Rivers Landscape Partnership Scheme (<http://www.brecks.org/BFER/>), supported by the National Lottery Heritage Fund.
